

Life Sciences

Whether your Life Sciences client is in the preclinical stage, or an established company with numerous products on the market, Berkley Canada responds to traditional liability concerns, as well as emerging issues your clients may not realize have insurance solutions.

Primary Liability

Berkley Canada offers a comprehensive primary liability product that is uniquely designed to address the complex risks faced by life sciences companies of all sizes. Your clients receive broad, seamless protection: no need to worry about plugging coverage gaps and satisfying different claim reporting requirements caused by purchasing multiple policies from separate insurers. As a scalable product, our Primary Liability policy affords you the flexibility to tailor coverage to meet the particular needs of each individual client.
