

Technology

Berkley Canada recognizes that a 'one-size-fits-all' solution does not allow technology firms to adequately manage their exposures. At Berkley Canada our products are customizable and include coverage enhancements such as Technology E&O, Electronic Media Liability, Intellectual Property coverage, Network Security Liability, Privacy Breach Liability and First Party Expenses related to Privacy Breach type events.

Unique Features

- Modular policy offering tailor-made coverage for third party liability and first party expense limits
- Option to include General Liability and Property coverage
- Broad underwriting appetite with few restricted classes
- Extensive definition of Professional Services which, if required can be amended to include non-Technology services
- No cap on revenue generated from the U.S.A.

Products

- Technology Professional E&O
 - Intellectual Property coverage
- Electronic Media Liability
- Network Security & Privacy Breach Liability
 - Privacy Breach expense
 - Information Asset loss
 - Business Interruption loss
- Commercial Package policies for Technology companies
- Stand alone Cyber Liability available for non-technology companies
