Insurance for Life Sciences

Leveraging local and industry expertise, we offer tailored, comprehensive primary liability insurance for life sciences companies that responds to traditional liability concerns and emerging issues.

Flexible, Seamless Coverage for Life Sciences at Every Stage

Our primary liability coverage addresses the complex risks faced by life sciences companies of all sizes — from the preclinical stage to an established company with numerous products on the market. As a scalable product, this policy affords us the flexibility to tailor coverage to meet the particular needs of each individual insured and provide broad, seamless protection.
