Insurance Solutions for the Technology Industry

We consider ourselves a true partner to the Technology industry in Canada, insuring over 500 Canadian Tech companies, including more than 40% of the top public Software and Information Technology companies by revenue. This deep integration within the industry allows us to understand the unique needs and challenges faced by Technology businesses, enabling us to offer specialized insurance solutions that provide comprehensive coverage and peace of mind.

Local Decision Makers

You work with the decision makers. Our Technology Underwriting Team has full authority in Canada, and we pride ourselves on our agility. Decisions are made quickly, and with a deep understanding of local market dynamics. Additionally, our Claims Team has full authority to administer and pay claims, providing efficient and effective support when you need it most.
