Custom Insurance Programs

Through a customizable approach, we work with our broker partners to tailor custom insurance programs to meet the specific needs of the Canadian professionals across various industries.

Comprehensive Programs, Built on Experience and Innovation

Our team has many years of experience in developing association or group specific comprehensive programs. With both local authority and an entrepreneurial spirit, we think outside the box to offer customized and comprehensive solutions that fit the needs of each association or group. And, we offer your full-service insurance solution in-house — from underwriting, to risk control, to claims. We recognize the essential elements required to create a successful program and understand the challenges in finding the right market to place your business with. We like to think that this is easier than you think, we value your time and are committed to making the program evaluation, rollover, and start-up process as efficient as possible.

Creating Your Program

1

Submit

Brokers submit key details on group size, premiums, loss history, and desired coverages, giving us a clear picture of their unique needs.

2

Creative Solution

Our team collaborates across departments to develop tailored insurance solutions that align with the group's specific requirements.

3

Deploy and Ongoing Support

Once bound, Berkley is all hand on deck to implement the program. We strive for a 30-day turnaround to issue policy wordings and provide continuous support throughout the life of the program, including in-house claims assistance, and a range of risk control resources like webinars and articles upon request.

Why Berkley Canada

At Berkley Canada, we are committed to making a difference for our broker partners and insureds. Through our combination of industry expertise and local authority, we deliver tailored insurance solutions quickly and effectively.
