Travel Insurance Solutions

Our travel insurance plans offer emergency coverage for your clients who are visiting Canada for on a vacation, returning Canadians waiting for their government health insurance plans to start, and international students coming to Canada to go to school. Each plan has coverage for a short trip outside of Canada.

Providing Peace of Mind While Travelling

Accidents happen when you least expect it. Our plans offer protection while your clients are travelling away from home.

Vistors to Canada Plan

Our Visitors to Canada plan provides multiple options for emergency medical coverage for tourists, employees, or travellers to Canada.

Surgery on Demand

Our Surgery on Demand product provides a benefit to cover gaps in traditional life and health insurance plans and minimizes any resulting financial hardships that result in loss of life due to a listed surgical procedure.

International Students

Our International Students to Canada plans are designed to meet the emergency medical insurance needs of students studying in Canada and their dependents, while in Canada or travelling worldwide.
